From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your eyes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/>

MESSAGE #1539 from Jesus August 12, 1998

My child,

Listen to My voice, for I need your prayers. Listen closely, for I am Jesus, Your Merciful Lord. I need you to relay My words. I ask, My child, that you listen even though it causes you pain and tears, for through your suffering, souls, many souls will be saved.

Time is short and My Divine Mercy will be followed by My Divine Justice. Pray, My child, to appease My Father's wrath. Go forth, My child, in My name. Go forth in love and truth. Do not be afraid, for the truth must be made known. Bring souls to Me while there is still time. Tell them I am waiting for them to come, come to Me. Tell them I am present in the Eucharist. Tell them to come to Mass and to kneel before the tabernacle. Tell the world to come and spend time with Me, for My heart is overflowing with mercy. Tell them My love is greater than their sins. Tell My sons to keep their Church doors open so more can spend quiet time before the Blessed Sacrament.

My mercy will pour out to each child who spends time with Me. I will bless those Churches that allow My flock to spend time with Me in Eucharistic adoration. Their lives will change, for I will guide them and help them in those areas that they are weak. Love, only love, will then flow from their heart. Families will then be reunited and conversion will happen. It will happen because I will dwell in those who come to Me with an open heart. I will give them peace and bless their home.

But those churches that are not abiding by true teaching will need your prayers, for in time they will crumble. Those souls that are consecrated to Me will then suffer for misleading their flock. Those souls who have no reverence for Me will suffer greatly for denying My grace. Those who are not in a state of grace will perish without a repentive heart. Woe to those who come to My Altar with an unclean soul. Woe to those who preach, but leave out the truth. Woe to those who do not pray or take a stand for life, because without their help many souls are being lost. Woe to those who because of jealousy and pride condemn My messengers, for they have been chosen to relay My words. Woe to those who think they have all the answers and who never spend time with Me. Woe to those Priests who denied their flock, for they will not see Heaven unless they change during this time of My mercy. Change must happen soon, for My mercy is running out.

My child, these messages must be spread, so please share all that I am telling you. Those who listen must then do the same. They must go to their Priests and to those who are refusing to listen to My words. They must not be afraid to share all that is imbedded in their heart. They must go forth in love and in truth. They must be willing to be persecuted for sharing the truth. They must understand that this is all part of carrying their cross. Those Priests who refuse to listen will need your prayers, for this is their wake up call from Heaven above.

Now I ask, My child, that you continue to suffer for Me, for this world is falling deeper into sin. I ask this of you because so many souls are refusing to pick up their cross for Me. I will be gentle, My child, for I know how much you can endure, so be at peace and know that I am ever so near. I will be with you every step of the way.

My Mother is preparing the way, so hold tightly to her hand. My Mother will wipe your tears and will comfort each child who suffers for Me, so be at peace and do all that you can for Me. I am Jesus, Your Sovereign Lord. My blessings of mercy I now give to each of you.

MESSAGE #2057 from the Blessed Mother October 27, 2000

My daughter, Jesus knows what is best for you, so do not look to others for consolation. Go directly to God and share your desires, your pain and suffering. God will comfort you, just as I, and will help you through each new trial.

So many today leave God last because of fear and lack of trust. So, today I ask that you begin your day in prayer. I ask that you keep your hearts open so that God can enter more fully. I ask that you turn to God throughout the day so that He can guide and direct you. This is the time in which God has allowed for each of you to truly come to know Our Lord. So be wise and spend time, time with Jesus. Be wise and allow God to plan your day so that you do not become too busy for God. Ask God to help you remove those distractions which prevent you from truly spending time with Our Lord.

Please, dear children, listen to what I am telling you so that your relationship deepens with Our Lord. It is God whom you must turn to if you truly want to be happy on this earth. It is God who knows what is best, best for each of you. Until you truly come to know this, peace cannot enter your hearts.

Practice today, all that I am teaching you so your love for Jesus grows inside of you. I want each of you to shine, but this will not happen unless you spend quality time with God. By allowing Jesus into your heart, your desires will change. You will come to know the true meaning of love if you surrender your life to Him.

My Son has so many Graces which He wishes to give to you, but it is up to you to accept and receive them. It is up to you to trust in His merciful love. It is up to you to rely on God and to do what He is asking of you. If you do the opposite of what God is telling you, then He cannot enter in the way that He desires. So be obedient children and take quiet time and then listen, listen to your heart.

Be willing to follow Jesus by picking up your cross. If you keep refusing to pick up your cross, then you are separating yourself from my Son, Jesus. Believe, dear children, that Jesus will be with you through your suffering. Jesus will help you carry each new cross if you allow Him to. Jesus is truly there for each of you, so please do not be afraid of the cross, for this is how you will be strengthened. Through sacrifice and acceptance of each new cross, your love for Jesus will grow. Through acceptance and willingness on your part, you will come to know God's love for you. Give yourself totally to Jesus, for then I promise you, love and truth will reign, reign in your hearts.

Now, please remain faithful to Jesus. Do not allow the world or your desires to pull you away from prayer. Take time for prayer and study His Word. Keep your focus on Jesus so that you can be guided and taught the truth. Do not fight God's ways or love for you. Pray and allow God's Will to be done. This is the way to Heaven, so please respond now and love Jesus with your whole heart. Allow Jesus to dwell in you so that peace, joy and love can fill your hearts.

I am your Heavenly Mother and I ask God's blessings upon each of you now. Go now in peace, for I am ever so near to you. Amen.

MESSAGE #2213 from the Blessed Mother September 19, 2001

My daughter, I come today to thank my children for their prayers, prayers from their heart. Your prayers together, are truly, truly saving souls. Each time you pray from your heart, souls are led closer to Jesus. Please, dear children, continue to gather and pray. Continue to pray for all souls, living and deceased.

In these days of preparation, I ask that you spend quiet time with Jesus. I ask that you spend more time in front of the Blessed Sacrament adoring our Lord. I ask that you remove yourselves from the noise of this world. Quiet time is truly needed in order to hear God. Quiet time is what our Lord is asking, asking of you. Set time aside and through prayer, you will truly come to know God's love for you.

I plead with you to respond to what I am telling you. I plead with you because I want each of you to stay strong, strong for Jesus. I want each of you to have peace in your hearts no matter how dark this world becomes. Through prayer and quiet time with our Lord, much strength will be given to you. Through prayer and a true relationship with Jesus, you will be able to endure each new battle. Through prayer and devotion to my Son, this peace of knowing Jesus will not be taken away from you.

So, today I ask that you make more time, quiet time, to be with Jesus. I ask that you make time each new day so that the noise and busyness of the world does not pull you away from prayer. I am truly with you in these times, for I am ever so near to my Son, Jesus. I am truly with you to encourage you and lead you closer, closer to my Son.

Now, please go forth as prayerful children and pray for the conversion of all hearts to the One True God. Amen

MESSAGE #2237 from the Blessed Mother November 5, 2001

My daughter, I come to you today, to ask you to continue to surrender your will to my Son, Jesus. I come to you so that you will relay my words to those who will listen. Tell my children, that I am truly here for all my children. I am truly here from Heaven, so please, please accept my love now for each of you. I cannot help you until you accept my love and motherly assistance.

I plead with you today to take my hand, so that I can assist you on this earth. Please do not be afraid of me, for I am truly here to lead you closer, closer to my Son, Jesus. You are each here for a reason, so please open your hearts, and take heed to what I am asking of you.

It gives me great joy to see so many gathered here praying to my Son, Jesus. I ask that you continue to gather and pray for the salvation of this world. I ask that you come as hungry children, and listen closely to the Gospel. I ask that you come with an open heart, so that God can enter more deeply. I ask that you come as true believers, so that God can truly speak to you in the silence of your heart. Come as true believers, and give all honor and glory to God. Come as true believers, for Jesus is truly present and alive in the Eucharist. Jesus longs to hear from each of you, so believe and open your hearts, and allow Him to show you true love and happiness. Your life will surely change, if you allow my Son to show you His Will for you.

Please be faith filled children, and believe in my Son, Jesus. Believe in God's plan for you, and accept it more willingly. Believe and be hopeful, so you stay strong, strong for Jesus. These are truly special times, so please, accept God's love and mercy. Accept God's grace, and allow it to shine through you. More will then come to know Jesus, and conversion will happen. It is time now to allow Jesus to fill you with His love and mercy. It is time now to share your love and faith with others. It is truly time to go forth, and light the way by your example. So please, spend quiet time with Jesus in front of His Most Blessed Sacrament. Spend time, quiet time and listen to Jesus. I ask that you stay close, close to my Son so you stay on the right path. I ask that you imitate Christ, so that peace, joy and love shine through you.

Now let us pray, that more will open their hearts to God's love. Let us pray, that more will turn to God instead of relying on the world. Let us pray, that more will spend quiet time with our Lord in front of the Blessed Sacrament. Let us pray dear children, so that peace will be spread around this world. Prayers from your heart will help many, so go forth now as prayerful, loving children. Go forth and share your joy to all your brothers and sisters. Go forth as true believers. Amen.

MESSAGE #2244 from the Blessed Mother November 23, 2001

My daughter, Tell my children to love, love Jesus with their whole heart. Tell them not to be afraid of Jesus, for He truly loves, loves each of you. It is time now to truly open your hearts and allow His Divine Presence to dwell in you. Today, I ask that you trust, trust in Jesus and love Him as He loves you.

A response is needed if you truly want to come to know Jesus in a deeper way. A response is needed, so please focus on God and not on the things of this world. Please keep your hearts open, for God cannot enter a closed heart. When you pray with all your heart to Jesus, you receive His love and peace because you are glorifying Him. When your heart is closed, you will only become distracted and your focus will not be on Jesus. So this is why I must remind you to give praise to God before you begin your prayers.

Give thanks for all trials and blessings and trust that my Son truly hears your prayers. Do not be doubtful, for God is truly with those who come to Him with a trusting, open, heart. Do not become discouraged, for your prayers will be answered in God's most perfect time. God knows what is best for each of you. God knows what is best, best for your soul.

I see so many children giving up today, because they feel all alone. Many come to me, and tell me that God is not listening to them. I say to each of you, put aside your personal desires and seek the desire of my Son, Jesus. Do not dwell on what will make you happy, instead allow God to mold you. Accept all that God is doing in your life, for this is how God prepares you. God must heal you first interiorly, in order to become strong soldiers for Christ. Without inner healing, there would be pride instead of humility. You must offer everything up to my Son so that you can be purified. You must allow God to be in control of your life, and let go of your desires.

So today I ask that you be patient children, so that God can form you. I ask that you rely on God, instead of others, so you can be taught in the proper way. I ask that you give up your pleasures, so you have more time to truly hear what God is teaching you. I ask that you be more accepting of each new cross, so you persevere with faith and fortitude. I am truly with you, when you pray to Jesus with an open heart. I am with you, so please do not lose hope.

Be grateful, grateful children and give thanks and praise to Jesus, each new day. Much joy will then be given to you, and love and peace will surely dwell in your hearts. An open heart is what is needed, so please respond and do what I am asking of you, each new day. Please respond and pray with your heart, and tell Jesus each new day, how much you truly love Him. My prayers are with you, so go forth now as God's loving children. Amen.

MESSAGE #2245 from the Blessed Mother November 26, 2001

My daughter, Pray, pray that more will arise and wake from their slumber. So many are choosing the easier road, because they do not want to change their lifestyle. So many are living like kings and queens, waiting to be served. Many today are refusing God's assistance, because they are relying on their wealth. Jesus' arms are open, waiting to respond to those in need, but few truly turn to Him.

Please, dear children, do not push God aside. Obey God's laws and live, live the Beatitudes. Be more grateful for this time to prepare your soul. Be more grateful, for you have been blessed by God to receive words from Heaven. You are being nurtured in so many ways, so please, please be more thankful.

The world cannot give you true happiness, so please be more wise. Listen to God, instead of allowing Satan to rule your life. Listen; listen to the Gospel, so that you come to know the truth. Listen now, and love God above all else. Be humble, obedient children so you do not become entangled by the serpent's tail. Be loving towards each other and pray, pray for all your brothers and sisters. Pray for unbelievers. Pray that more will turn to God before this time period is up.

God will continue to cleanse this earth and all must be prepared. The world will be renewed, but darkness must first be removed. God's justice will prevail, and those who are refusing to turn to God will suffer, suffer tremendously. All will need to have a strong faith when the earth shakes, so please do all that you can now to live a life that is pleasing to God. Do all that you can for the salvation of souls.

Allow Jesus to heal those wounds that are preventing you to move forward. Allow Jesus to be your counselor and comforter. Take refuge in His Most Sacred Heart so you are protected from the adversary. Have complete trust in Him so that your lives can change. Give yourselves unconditionally to Him, and believe in God's love and mercy for you.

Believe that God will take care of you, if you surrender your will to Him. Believe in the Gospel and live each day for Jesus Christ. Remain strong, and pray, and receive Holy Communion in the Holy Sacrifice of the Mass. Receive God's grace and cleanse your soul more regularly. Do penance for your sins and truly live, live the Gospel. Believe that Jesus is truly present in the Eucharist. Believe, so you receive Jesus in the proper way. Cleanse your soul first if you are living in mortal sin. Prepare your soul so Jesus can dwell in you. Trust in His salvation and believe in God. Seek God's Kingdom so you strive hard to live a pure and holy life.

The time will come and each child will see their soul, so be wise, and allow God to purify you so you are ready and prepared. Be wise and allow me to assist you now, so that I can lead you closer, closer to Jesus. I am here now to light the way, but this time dear children, will not last. So respond, respond now and again I say to you, take refuge in Jesus' Most Sacred Heart. Take refuge in My Heart and I will truly assist you on this earth. Thank you for listening. It is up to you now, to respond, and truly live the Gospel. Join me now and pray for the salvation of souls. Amen.

MESSAGE #2246 from the Blessed Mother November 28, 2001

My daughter, I am with you in a personal way, so be at peace and know that I am with you wherever you go. Be at peace so that you pray, pray from your heart. Peace cannot be given to those who do not pray or seek God. One must trust and have complete confidence in our dear Lord, Jesus. When your hearts feel heavy, turn to God and pray. Ask God to give you the strength needed to help you through those difficult times. Ask and you shall receive God's loving embrace. God will walk you through all trials and suffering if you rely on Him.

Please dear children, trust more and turn to God for all your needs. Trust and then believe that you are not alone. Believe and then accept God's love and mercy for each of you. I ask that all my children come to know His love. I ask that you truly come to know Jesus so that you do not doubt in His love for you. Look to Him with faithfulness so that you do not lose hope. Turn to Jesus like little children and be dependent on His love. Stay close to His heart and remain focused on my Son, Jesus.

Live this message and I promise you love, peace, and joy will reign in your hearts. Live this message so that you go forth no matter how dark it becomes. Be truthful, and humble so that fear, and pride does not enter. Trust in His salvation and believe that God is with you.

Now I ask that you turn to Jesus and trust, trust in Him. I ask that you focus on Jesus and rejoice, rejoice in His unending love. I ask that you remain faithful to your commitment to pray, love, and serve our Lord. It is time now to move on, so please reflect on this message and turn your hearts over to Jesus. Turn to Jesus and have confidence in His love. Amen.

MESSAGE #2255 from the Blessed Mother December 19, 2001

My daughter, God is asking that all His children go forth and make the Gospel known. So today I ask that you go forth in love, and allow this joy of knowing Jesus, to shine forth from your hearts. I ask that you forgive those who have hurt you in any way. A heart full of love, and compassion, is how others will see Christ in you. Are you willing, dear children, to forgive and love, love your enemies? Are you willing to turn the other cheek, instead of seeking revenge? Through your willingness and actions, more will come to know our dear Lord, Jesus.

It is time now to perform works of mercy and love. The way to do this is to keep focused on Jesus and His ways of love. Imitate Christ in all that you say and do. Be merciful and loving and strive to be more like Jesus. Be loving and pray for all your brothers and sisters. So many today need prayers because they do not know how to love. Many today want to receive love, but they do not know how to love in return. Until one truly comes to know Jesus, one will not know how to love, or be loved.

By your example, dear children, you can help others come to know Jesus. Allow the Blessed Trinity to direct and guide you. Allow God's love and mercy to reign in your hearts. This love will then flow unto others, and many, many will then have a change of heart.

Now let us pray that more will be loyal to Jesus. Let us pray that more will serve Him unselfishly, with a kind and generous heart. Let us pray that this love of knowing Jesus will be spread throughout this world. Now please go forth in love and humility, and be loving and forgiving to those around you. You can make a difference in this world, so please respond now and apply all that I teach you in your lives. Amen.

MESSAGE #2256 from the Blessed Mother December 21, 2001

My daughter, I ask that all my children be obedient and listen, listen to my Son, Jesus. There cannot be peace without obedience. It takes sacrifice, trust, and willingness to surrender yourselves to what God is asking of you. The greatest gift you can give Jesus is to be obedient. To truly obey and live, live each commandment.

In order to live a peaceful life, you must truly love, serve, and obey God. Please, dear children, obey God. Turn away from sin and consecrate your heart to Jesus and me. Live your consecration so that I can truly assist you on this earth. Live a pure and holy life so that I can lead you closer, closer to Jesus. Pray and ask the Holy Spirit to guide you, so you become strong warriors for Jesus. Seek the truth, for then your love for Jesus will become alive in you. Abandon yourselves now to Jesus. Open your hearts so that He can fill you with His Grace. Accept your suffering, so that God can heal you in those areas that are difficult for you. God will truly heal you, if you let go of your desires and truly seek Him.

I say to each of you, harden not your hearts. Open them and be more grateful for God's love and mercy for each of you. Trust Jesus with your whole heart and allow Him to mold and purify you. Allow Jesus to accomplish within you what He desires, so that change begins in you.

Now I ask that you truly turn to Jesus so you come to know His truth, His peace, and His love for you. Accept Him totally as your Lord and Savior, and happiness, and peace, will dwell in you. Be obedient to God and live now in peace and harmony. Amen.

Be at peace and know I am with you. I am Jesus. I am here for you and for those who follow Me.

MESSAGE #2283 from the Blessed Mother February 21, 2002

My daughter, Those who refuse to open their heart to my motherly assistance will not understand my role on this earth. They will deny these messages and will judge those who have been chosen by God. The only way to touch their hearts is through prayer and by truly living your faith. No one can take that peace away from knowing and loving Jesus. So today I ask that my children be joyful and loving no matter how dark it becomes, so you do not lose hope or confidence in our Lord. I ask that you turn to Jesus when others ridicule you. I ask that you pray more so you continue forward when your cross feels too heavy. Through prayer and truly living your faith, Jesus will comfort and guide you. Jesus will be your light through all trials and persecution. Remain faithful to your commitment to pray daily. Come to Mass as often as you can and receive Jesus in Holy Communion. This is what will keep you strong and your love for Jesus will help you live a holy life.

I say to each of you, live these messages and do not allow anything to disrupt your peace of heart. Live the gospel and be obedient to God. Cleanse your soul often so you are not tempted to take the easier road. Be compassionate and loving towards all your brothers and sisters. Your words and actions is how others will truly know that you are close to God. The enemy wants to cause division, so be on guard and remain close, close to Jesus. I am here today to remind my children that it is very important to remain prayerful and do your very best each new day. Keep your focus on Jesus and be humble, loving children. Remain focused on works of love, for then you will have joy and peace.

Now please place all your trust in Jesus and believe His love for you is great. Jesus is your hope and salvation, so be at peace and rejoice in His love for you. Jesus has sent me to you to help you, so please continue to take my hand. Continue to walk with me and I will protect you. Be at peace and remember always that Jesus and I are truly with you. Amen

MESSAGE #2319 from the Blessed Mother May 20, 2002

My daughter, Be at peace and know I am with you. You are not alone, I am truly here to assist you, so more souls are saved. Please continue to write and relay my words. Please continue forth, so more come to know Jesus. This time is so precious, so please do the opposite of what Satan is telling you. Satan is furious and he will do all that he can so you lose hope and trust in God.

Many hands are needed, so I tell all my children today, to join hands. Join hands and go forth in love, so more come to know the truth. The truth must be made known, so more turn to God, instead of the world. My children must understand that without Jesus you can achieve nothing. It is impossible to walk alone in a world so full of darkness. You must pray and be humble and allow God to be in control of your life.

There is no longer time to be living a lukewarm life. Each of you must believe in God and trust in His love and mercy for you. You must fully believe to enter the Kingdom of God. You must each be willing to do your part. You must love, obey and serve our Lord. So many today say they love Jesus, but yet they are unwilling to carry their cross. Many hide Jesus in their heart and refuse to allow Jesus' love to shine through them. Many are afraid to mention Jesus' name, for fear of persecution. How can this love of Jesus be spread, when so many live in fear? Jesus is your shield, so please do not be afraid. Witness to those who are on the wrong path by sharing your love of knowing Jesus. Pray and ask the Holy Spirit to guide and lead you in all your actions. Please allow your love to be shared through your words, actions and deeds. Let the world know that Jesus is truly alive and that His love is unconditional.

Now please, begin to practice and live the words I speak to you. Begin today and live, live in peace. Let this peace begin with you, so love and joy flow through your hearts. I am your Heavenly Mother and you are truly my children. Be at peace now and go forth with love and gratitude in your hearts. Amen.

MESSAGE #2397 from the Blessed Mother October 25, 2002

My daughter, God is asking His children to pray more. So please listen and respond and make time, quality time to be with Jesus. Each of you have time, but it is up to you to make time to be with our Lord. By beginning your day with prayer, your focus will be on Jesus instead of yourselves. You will be strengthened to carry on your duties throughout the day. Your love for Jesus will grow, and you will be reminded to turn to Him when temptations arise. This is why it is so important to begin your day with Jesus. Today I ask that you greet Jesus each morning. I ask that you open your hearts, and allow God to guide you throughout the day.

In order to grasp what God desires of you, you must open your hearts and turn to Him. You must let go of your desires and seek to do His Will. God is truly directing His children in these times, but many are not listening. Many are not making time to truly hear God. So many do not stop and pray throughout the day. How can God become part of your life if you do not turn to Him? How can you make the right decisions when you depend on yourselves for answers? Each of you must turn to Jesus and rely on His help and guidance. You must take quiet time to be with God and trust, trust in Him completely. You must have confidence in Jesus if you truly want peace in your hearts. You must offer yourself every day to Him and love God more than your desires. Your focus and attention needs to be fully on God. This can only happen if you pray daily and allow God to be the center of your life.

Now please turn to God and join me in prayer. Return to God, for how He longs to hear from each of you. This time is your time to come to know God, so please be not selfish. Allow God to be in control of your lives. Now be confident that God loves you and trust, trust in His assistance to help you each new day. Amen

MESSAGE #2418 from the Blessed Mother December 11, 2002

My daughter, Please continue to write and relay these messages, for the time is soon at hand. All must come to know the truth so they turn to God before it's too late. The Gospel must be made known so more repent and wake up from their slumber.

God is allowing this time to make the Gospel known, so please, please dear children, do your part. Be true Christians and live all that I am teaching you. Be honest, loving children and be brave soldiers for Christ. Be willing to be persecuted by truly living your lives for my Son, Jesus. Do not be afraid to speak the truth if you are truly, truly living it. Be an example to those who are choosing darkness so more turn to God in these times. Be joyful, joyful children and do not complain when trials come your way. Be joyful and be willing to pick up your cross each new day.

Give Jesus your hearts each new day and ask, ask for His assistance. Ask and then trust in His plan for you. Have confidence in Jesus so you do not give in to the evil one. Think of Jesus as your best friend so you never, never let Him down. Follow Jesus' ways through love, mercy and compassion. Give yourself to Him unconditionally and do not become distant from His love and mercy. Stay alert and close to Jesus so you do not give in, in to the enemy. Put on your armor of love, for this will shield you from Satan and his followers. Imitate Christ so the spirit of love and unity is spread.

Now, please focus on God's mercy and love, and trust, trust in Him. Trust and be confident that God will always be there for you. Receive the Sacraments and respond now to the Gospel. All that is written is true, so please study Scripture. Be attentive and live your lives for Jesus. The way is forward and each of you must climb God's Holy Mountain. Each of you must respond if you truly want to be strong for the road ahead. Nothing will be too difficult if you stay close, close to Jesus. Only goodness will come for those who love and trust and who obey Almighty God.

Now, please look to God, who is your Heavenly Father and give all honor and glory to Him. Look to God and respond to His call of mercy and love. Let us pray now and give thanks for this time to go forth and save souls. Amen

MESSAGE #2770 from Jesus April 25, 2005

My child,

I am Jesus. I come to you today to share My love with you. So many souls are infected with sin. How can I heal them when they refuse to repent and accept My love. Those who do not trust in My love and mercy, wound My heart. My love and mercy is without limit. It is for those who repent and who are truly sorry for their sins. Those who come to Me with a repentant and sorrowful heart, will feel My love and mercy.

Prayer and penance is needed in order for your hearts to be transformed. You cannot lead a holy life unless you obey every Commandment. You cannot lead a holy life if you deny the Sacraments. Family prayer is powerful. It will keep evil away. Marriages will be restored and healed if they respond to all that My Mother and I share with you. Family love and family prayer is My desire for each of you.

My child, please share My words so more respond and prepare their soul. Thank you for writing. Thank you for being willing to suffer for Me. You console My Heart when you spend time with Me. I am Jesus. I embrace all who come, come to Me.

My child,

Time is truly short, so embrace your cross with joy. Embrace each new cross, for it will help those who are living in darkness. Each time you embrace your cross, you are embracing Me. Seek My help every day to fight this battle, for evil is widespread. When doubt enters your mind, turn to Me and you will be given the strength needed to persevere. Depend on Me to feed and protect you, for I am the way. I am Jesus, your Merciful Lord and Savior.

MESSAGE #2857 from the Blessed Mother February 8, 2006

My daughter, Keep your eyes on Jesus, for He will truly guide you.

All my children must stay close to Jesus. All my children must come back to the truth. They must turn away from sin and amend their ways. They must trust, trust in Jesus and stop being led astray by sin. Man has a free will, but they must come to know the truth. They must not deny that sin exists. A soul, through it's own choice, chooses darkness.

Please, dear children, surrender yourselves totally to Jesus. Let go of pride and self-centeredness and turn to God for all your needs. Take heed to my words and begin today to live the Gospel. Pray, pray my children, for the earth is trembling now. The earth is trembling and the ocean is no longer calm. All must wake up in this time of God's great mercy. All must take part in saving souls.

Now, please do your part for the salvation of souls. Do your part so more turn to God in this time of preparation. Do your part and follow Jesus, and move, move in the direction that will nourish your soul. I have told you and given you direction. Now you must obey and follow Jesus, Your Merciful Lord. Amen.

MESSAGE #2868 from Jesus March 21, 2006

My child,

I am Jesus. I am here to guide and light the way for those who take shelter in My Heart. I long to forgive those souls who have added wounds to My Most Sacred Heart. I long to forgive them, but they do not come to Me. I wait patiently day and night. How I thirst for souls to come to Me. My mercy pours out upon the world, but many continue to crucify Me. I pour My tears of blood over mankind.

I say to each of you, take heed to what My Mother is telling you. Take heed, for when My Divine Mercy ends, you will see Divine Justice. The earth will shake and the living will be down on their knees. Souls will have but little time to repent. Only prayer can save this darkened world. Without more prayer, you will see much more destruction. The devil has taken possession of souls because so many refuse to repent.

My child, continue to pray and do penance for souls. Continue to suffer for Me so more come to know My love for them. Be attentive to My voice. Be attentive to those Priests who have been chosen to help you. Relay My words to them or interiorly you will suffer, suffer more. All that I share with you, will unfold. Sin and violence will destroy the world. Days of darkness will cover the earth. The earth is trembling, trembling now.

I am Jesus. Listen to My warning. Listen and pray.
